SIGNS OF FAME GERMANY

International Media Profile

Media spectacle at “Signs of Fame” Germany: While welcoming famous people in “Signs of Fame” and awarding “Celebrity Star Awards” TV, radio and print media is always there to broadcast it all over the world.

National and international press have positively reported about this unique project in Europe in more than 1.500 articles.

The French actor Pierre Brice (photo right) gets a personal impression while receiving his personal “Celebrity Star Award”.

Give Peace a Chance

Beyond all borders, the international accepted long term project takes a clear position against xenophobia and racism.

Main statement: "People from all over the world" set a sign with "signs from all over the world" for peace and togetherness regardless of race, colour or political beliefs.

Slogan of the park is "Give Peace a Chance!" More information: www.fernweh-park.de.
